This application is before the Office of PCT Legal Administration for matters arising under 35 USC 371.

**BACKGROUND**

On 06 May 2006, applicants filed national stage papers in the United States Designated/Elected Office (DO/EO/US). The transmittal letter indicated that this application was a national phase of PCT/IB2004/052276. The declaration listed international application no. PCT/IB2004/052317.

On 10 September 2008, the Office mailed a Notification of Acceptance (Form PCT/DO/EO/903) indicating that this application satisfied 35 USC 371(c)(1), (c)(2) and (c)(4) on 08 May 2006.

**DISCUSSION**

A national stage application is the national stage of only a single international application. To enter the national phase in the United States, applicant is required to state the international application number.

As applicants have listing conflicting international application numbers, applicant is required to identify which application number is correct and to furnish a petition under 37 CFR 1.182 along with the fee to correct the erroneous indication.

**CONCLUSION**

A proper response is required within **TWO (2) MONTHS** of the mailing of this notification. Failure to timely reply will result in the abandonment of this application. Extensions of time are available under 37 CFR 1.136(a).

The Notification of Acceptance (Form PCT/DO/EO/903) mailed 10 September 2008 is **VACATED**.
